EHSLearn™

Why does my company need a robust, innovative training program?

- **More than 80** of the title 29 CFR OSHA regulations require employers to train employees in safety and health.
- OSHA penalties can be more than **$15,625 per violation**.
- OSHA may require record retention for the **duration of employment plus 30 years**.

EHSLearn™ is Triumvirate Environmental's answer to all your training problems. No matter what you need for a complete training program, we can find the right option for you. Our suite of On-Demand and Seminar trainings cover all the bases in the format that is most convenient for you.

EHSLearn™: Seminars

EHSLearn™: Seminars include in-person and live virtual group trainings led by experienced trainers. You can register as an individual or group.

Regularly-held trainings cover the following regulations at state and regional levels:

- RCRA
- DOT
- IATA
- OSHA Emergency Response (HAZWOPER)

EHSLearn™: On-Demand

EHSLearn™: On-Demand is a series of "off the shelf" trainings, all including interactive knowledge checks. These trainings are ideal for those who need general information ASAP, since they are not specific to sites or regions.

Training topics include:

- DOT
- DOT-IATA
- Bloodborne Pathogens
- Dry Ice
- Medical Biowaste Shipping

These trainings are hosted directly on our website, so no separate learning management system is needed.
