

# 2020 COMPLIANCE & REGULATORY TRAINING

Maintain compliance for your EH&S professionals, Facilities Operations personnel, Lab Managers and Coordinators, and Supply Chain staff with an in-person session near you. Our professional educators provide information to satisfy regulatory requirements for what you need to know and what you need to do after you leave the course. Learn more and register at [www.triumvirate.com/training](http://www.triumvirate.com/training).

# Meet Your Lead Instructors

## Massachusetts, Rhode Island, and Connecticut

**Douglas Graham** is our Senior EH&S Practice Director at Triumvirate Environmental. Doug has 26 years of EH&S training, consulting, auditing, and program development experience and has provided over 12,000 hours of training. Doug is a nationally recognized trainer, annual guest instructor at the New England Chapter CHMM prep course, developer of an award-winning innovative online hazmat training program, and a contributing author for EHS Journal.

**Stefan Wawzyniecki** is a Senior Environmental Consultant for Triumvirate's New England region. He has held the following certifications: Certified Industrial Hygienist, a Certified Chemical Hygiene Officer, and a Certified Hazardous Materials Manager. Stefan has over 40 years of environmental, health & safety experience in industry, government, and academia. His focus for clients of Triumvirate includes promoting regulatory compliance through educational workshops, and onsite development of compliance programs.

## New York and New Jersey

**Erin Stolz** is a Senior Environmental, Health, and Safety Consultant at Triumvirate Environmental. Erin utilizes her years of experience with extensive chemical and regulatory knowledge, including transportation and laboratory safety initiatives. During her time with Triumvirate, Erin has conducted extensive work with the creation and management of hazardous waste programs with a specialization in RCRA compliance.

## Maryland

**Mackenzie Schroeder** is an Environmental, Health, and Safety Consultant for Triumvirate in Baltimore, MD and surrounding areas. She has four and half years of professional experience in the regulatory field and has been working with Triumvirate Environmental for two years. In her current role as an EH&S Consultant with Triumvirate, she uses her regulatory knowledge to provide training to clients to ensure regulatory compliance, conducts laboratory safety audits and gap analyses, and carries out safety initiatives.
