

# Compliance & Regulatory Training

Triumvirate Environmental offers a comprehensive portfolio of environmental, health, and safety (EH&S) **virtual live training** courses taught by skilled experts. Whether you want a deep-dive onsite OSHA training for an entire department or to send a few new hires to our open-enrollment RCRA courses, we offer intimate training solutions that meet your specific needs. Don't let your compliance and regulatory training certifications expire!

## Open-Enrollment Trainings

Sessions are offered in a **virtual live** format throughout the year. Our 2022 course schedule includes:

- State-Specific Hazardous Waste Management (RCRA)
- IATA Dangerous Goods Transportation
- DOT Hazardous Materials Transportation
- OSHA 8-Hour Operations Level Emergency Response (HAZWOPER)

## Online Offerings

Unable to get out of the office? You can take courses and stay compliant from your desk. In addition to the **virtual live** courses stated above, online offerings include:

- Bloodborne Pathogens
- DOT Hazardous Materials Transportation
- Regulated Medical Waste Shipping
- Dry Ice Shipping
- DOT-IATA Infectious Substances, Biologicals, and Dry Ice Shipping

## Client-Specific Sessions

Our qualified trainers can deliver the courses at your facility or virtually. Let us train your entire team! In addition to the RCRA, IATA, DOT, and HAZWOPER, we can offer many other topics, such as:

- Laboratory Safety
- Red Cross First Aid, CPR, AED
- Biological Safety
- Many additional occupational safety topics!

## Benefits

- Achieve greater understanding of complex regulatory topics
- Avoid costly penalties for your employer due to non-compliance
- Develop or enhance your expertise in important EH&S disciplines
